

**ORDINANCE 14-2016**  
**AN ORDINANCE OF THE BOROUGH OF WOODBURY HEIGHTS RESTRICTING**  
**THE SALE OF DOGS AND CATS FROM PET SHOPS**

**WHEREAS, the Borough of Woodbury Heights (“Borough”) is a municipal entity organized and existing under the laws of the State of New Jersey and located in Gloucester County; and**

**WHEREAS, a significant number of puppies and kittens sold at pet shops come from large-scale commercial breeding facilities where the health and welfare of the animals are not adequately provided for (“puppy mills” and kitten mills”, respectively). According to the Humane Society of the United States, it is estimated that 10,000 puppy mills produce more than 2,400,000 puppies a year in the United States, and that most pet shops dogs and cats come from puppy mills and kitten mills: and**

**WHEREAS, the documented abuses endemic to puppy and kitten mills include overbreeding, inbreeding, minimal to non-existent veterinary care, lack of adequate and nutritious food, water and shelter, lack of socialization, lack of adequate space, and lack of adequate exercise; and**

**WHEREAS, the inhumane conditions in puppy and kitten mill facilities lead to health and behavioral issues in the animals bred in those facilities, which many consumers are unaware of when purchasing animals from pet shops due to both a lack of education on the issue and misleading tactics of pet shops in some cases. These health and behavioral issues, which may not present themselves until sometime after the purchase of animals, can impose exorbitant financial and emotional costs on consumers; and**

**WHEREAS, current Federal and State regulations do not adequately address the sale of puppy and kitten mill dogs and cats in pet shops; and**

**WHEREAS, restricting the retail sale of puppies and kittens to only those that are sourced from shelters or rescue organizations is likely to decrease the demand for puppies and kittens bred in puppy and kitten mills and is likely to increase demand for animals from animal shelters and rescue organizations; and**

**WHEREAS, according to the New Jersey Department of Health in its 2014 Animal Intake and Disposition Survey has found that due in large part to pet overpopulation, more than 20,000 dogs and cats are euthanized in New Jersey animal shelters annually, including 2,176 in the County of Gloucester.**

**WHEREAS, restricting the retail sale of puppies and kittens to only those that are sourced from animal shelters and rescue organizations will likely reduce pet overpopulation and thus the burden on such agencies and financial costs on the local taxpayers; and**

**WHEREAS, across the country, thousands of independent pet shops, as well as large chains, operate profitably with a business model focused on the sale of pet services and supplies, and not on the sale of dogs and cats. Many of these shops collaborate with local animal shelters and rescue organizations to offer space and support for showcasing adoptable pets on their premises; and**

**WHEREAS, this Ordinance will not affect a consumer’s ability to obtain a dog or cat of his or her choice directly from a breed-specific rescue organization or a shelter, or from a hobby breeder where the consumer can see directly the conditions in which the dogs or cats are bred, or confer directly with the hobby breeder concerning those conditions; and**

**WHEREAS, the Borough Council of the Borough of Woodbury Heights, in the County of Gloucester and State of New Jersey, believes it is in the best interest of the Borough of Woodbury Heights to adopt reasonable regulations to reduce costs to the Borough and its residents and to protect the citizens of the Borough of Woodbury Heights who may purchase dogs or cats from a pet shop or other business establishment, help prevent inhumane breeding conditions, promote community awareness or animal welfare, and foster a more humane environment in the Borough of Woodbury Heights.**
