ORDINANCE 2018 - 6

AN ORDINANCE OF THE TOWNSHIP OF BARNEGAT, COUNTY OF OCEAN
STATE OF NEW JERSEY CREATING NEW CHAPTER 61 OF THE TOWNSHIP
CODE BANNING THE SALE OF PUPPIES AND KITTENS

WHEREAS, a significant number of puppies and kittens sold at pet shops come from
large-scale, commercial breeding facilities where the health and welfare of the animals are not
adequately provided for (“puppy mills” and “kitten mills,” respectively). According to The
Humane Society of the United States, it is estimated that 10,000 puppy mills produce more than
2,400,000 puppies a year in the United States and that most pet shop dogs and cats come from
puppy mills and kitten mills.

WHEREAS, the documented abuses endemic to puppy and kitten mills include over-
breeding; inbreeding; minimal to non-existent veterinary care; lack of adequate and nutritious
food, water and shelter; lack of socialization; lack of adequate space; and lack of adequate
exercise.

WHEREAS, the inhumane conditions in puppy and kitten mill facilities lead to health
and behavioral issues in the animals bred in those facilities, which many consumers are unaware
of when purchasing animals from pet shops due to both a lack of education on the issue and
misleading tactics of pet shops in some cases. These health and behavioral issues, which may
not present themselves until sometime after the purchase of the animals, can impose exorbitant
financial and emotional costs on the consumer.

WHEREAS, current Federal, State and County regulations do not properly address the
sale of puppy and kitten mill dogs and cats in pet shops.

WHEREAS, prohibiting the retail sale of puppies and kittens is likely to decrease the
demand for puppies and kittens bred in puppy and kitten mills, and is likely to increase demand
for animals from animal shelters and rescue organizations.

WHEREAS, according to the New Jersey Department of Health 2016 Animal Intake and
Disposition Survey, due in large part to pet overpopulation, more than 15,000 dogs and cats are
euthanized in New Jersey animal shelters annually. Restricting the retail sale of puppies and
kittens to only those that are sourced from animal shelters and rescue organizations will likely
reduce pet overpopulation and thus the burden on such agencies and financial costs on local
taxpayers; and

WHEREAS, across the country, thousands of independent pet shops as well as large
chains operate profitably with a business model focused on the sale of pet services and supplies
and not on the sale of dogs and cats. Many of these shops collaborate with local animal shelters
and rescue organizations to offer space and support for showcasing adoptable homeless pets on
their premises; and

WHEREAS, this Ordinance will not affect a consumer’s ability to obtain a dog or cat of
his or her choice directly from a breed-specific rescue organization or shelter, or from a hobby
breeder where the consumer can see directly the conditions in which the dogs and cats are bred;
and

WHEREAS, the Township Committee believes it is in the best interests of this Township
to adopt reasonable regulation to reduce costs to the Township and its residents, protect the
citizens of the Township who may purchase cats or dogs from a pet shop or other business
establishment, help prevent inhumane breeding conditions, promote community awareness of
animal welfare and foster a more humane environment in the Township.
