ORDINANCE NO. 2021-11-

AN ORDINANCE PROHIBITING CERTAIN PET SALES

WHEREAS, current Federal, State, and Local regulations do not properly address the sale of puppy and kitten mill dogs and cats both in and out of pet stores; and

WHEREAS, a significant number of puppies and kittens sold at pet stores come from large-scale, commercial breeding facilities where the health and welfare of the animals are not adequately provided for (“puppy mills” and “kitten mills,” respectively). According to the Humane Society of the United States, it is estimated that 10,000 puppy mills produce more than 2,400,000 puppies a year in the United States and that most pet store dogs and cats come from puppy mills and kitten mills; and

WHEREAS, the documented abuses endemic to puppy and kitten mills include over-breeding; inbreeding; minimal to non-existent veterinary care; lack of adequate and nutritious food, water and shelter; lack of socialization; lack of adequate space; and lack of adequate exercise; and

WHEREAS, the inhumane conditions in puppy and kitten mill facilities lead to health and behavioral issues in the animals bred in those facilities, which many consumers are unaware of when purchasing animals from pet stores due to both a lack of education on the issue and misleading tactics of pet stores in some cases. These health and behavioral issues, which may not present themselves until sometime after the purchase of the animals, can impose exorbitant financial and emotional costs on consumers; and

WHEREAS, prohibiting the retail sale of puppies and kittens is likely to decrease the demand for puppies and kittens bred in puppy and kitten mills, and is likely to increase demand for animals from animal shelters and rescue organizations; and

WHEREAS, prohibiting the retail sale of puppies and kittens will likely reduce pet overpopulation and thus the burden on such agencies and financial costs on local taxpayers; and

WHEREAS, across the country, thousands of independent pet stores as well as large chains operate profitably with a business model focused on the sale of pet services and supplies and not on the sale of dogs and cats. Many of these stores collaborate with local animal shelters and rescue organizations to offer space and support for showcasing adoptable homeless pets on their premises; and

WHEREAS, this Ordinance will not affect consumers’ ability to obtain a dog or cat of their choice directly from a breed-specific rescue organization or a shelter, or from a hobby breeder where the consumer can see directly the conditions in which the dogs or cats are bred, or can confer directly with the hobby breeder concerning those conditions; and
WHEREAS, the Common Council of the City of Crown Point believes it is in the best interests of the City of Crown Point to adopt reasonable regulations to reduce costs to the City and its residents, protect the citizens of the City who may purchase cats or dogs from a pet store or other business establishment, help prevent inhumane breeding conditions, promote community awareness of animal welfare, and foster a more humane environment in the City.

NOW THEREFORE, BE IT ORDAINED by the common council of the City of Crown Point, Indiana that the Crown Point Municipal Code is amended by adding Section 90.08 to title 9, chapter 90, AND by amending Section 90.99 regarding Penalties, as follows:
