

ORDINANCE NUMBER: 575-2019
ORDINANCE AMENDING TITLE 7 (ANIMALS) REGARDING THE
RETAIL SALES OF CATS AND DOGS, ENFORCEMENT PENALTIES
AND OTHER CLARIFYING EDITS

WHEREAS, Kitsap County is responsible for providing specific services to enforce Washington State animal control statutes; and

WHEREAS, Kitsap County historically has provided these and other animal control services for the betterment of the public's health, safety and welfare; promotion of animal welfare, humane breeding conditions, and community awareness of animal welfare; and protection of citizens purchasing and breeding cats and dogs in the County; and

WHEREAS, the County has established Kitsap County Code Title 7 (Animals) to direct animal regulations; and

WHEREAS, a significant number of puppies and kittens sold at pet shops come from large-scale, commercial breeding facilities referred to as "puppy mills" and "kitten factories," respectively; and

WHEREAS, the documented abuses endemic to puppy mills and kitten factories include overcrowded cages, over breeding, absence of adequate sanitation, lack of vet treatment for serious health issues, lack of nutritious food and water, neglectful conditions involved with mass breeding practices, lack of socialization, and inadequate exercise (*Report No: 33002-4-SF, Animal and Plant Health Inspection Service, Animal Care Program, Inspections of Problematic Dealers, Issued May 2010, www.usda.gov/oig/rptsauditsaphis.htm*); and

WHEREAS, the inhumane conditions in puppy mill and kitten factory facilities can lead to health and behavioral issues in the animals bred in those facilities, which many consumers are unaware of when purchasing animals from pet shops; and

WHEREAS, current federal regulations (the Animal Welfare Act), enforced by the US Department of Agriculture, do not adequately address the animal welfare issues as they apply to the sale of cats and dogs from pet shops and are not enforced sufficiently (The Office of Inspector General documented enforcement concerns such as leniency for repeated violations in *Report No: 33002-4-SF, Animal and Plant Health Inspection Service, Animal Care Program, Inspections of Problematic Dealers, May 2010, www.usda.gov/oig/rptsauditsaphis.htm*); and

WHEREAS, current Washington State regulations do not adequately address the animal welfare issues as they apply to the sale of cats and dogs from Kitsap County pet shops;

WHEREAS, this lack of animal welfare oversight has led over 290 local jurisdictions (such as Salt Lake County, UT; Camden County, NJ; and Montgomery County, MD) and two states (States of California and Maryland) in the United States to adopt ordinances banning pet store sales from "wholesale breeding" establishments by only allowing sales from animal rescue league or shelters and requiring recordkeeping to disclose where they originated; and

WHEREAS, this lack of animal welfare oversight has led three other Cities in Kitsap County (Cities of Bainbridge Island, Bremerton, Gig Harbor, and Poulsbo) to adopt ordinances prohibiting pet store sales from puppy mills/kitten factories by only allowing sales from animal rescue league or shelters (Poulsbo excludes small-scale breeders from the sale restrictions) and requiring recordkeeping to disclose where they originated; and

WHEREAS, the Board of Commissioners directed the County to assess these issues, local breeding and sales operations, and propose revised code if necessary; and

WHEREAS, the County interviewed stakeholder representatives from nearby local jurisdictions with adopted pet store sale restrictions to learn about best practices; and

WHEREAS, the County interviewed Kitsap County Human Society (animal control officers) to learn about enforcement concerns; and

WHEREAS, the County interviewed licensed hobbyist breeders, animal welfare advocates, a licensed commercial pet store to learn about their concerns regarding animal welfare; and

WHEREAS, the County reviewed best management practices, code provisions in other local jurisdictions, and

WHEREAS, Kitsap County provided the opportunity for interviewed stakeholders to review the proposed draft amendments and provide comment; and

WHEREAS, Kitsap County, after timely and effective notice, held a public hearing on April 22, 2019 to hear public testimony on the proposed revisions; and

WHEREAS, Kitsap County, after timely and effective notice, deliberated on _____ to consider the proposed code amendments.
