AN ORINANCE AMENDING AND SUPPLEMENTING CHAPTER 76 OF THE CODE OF THE
BOROUGH OF LAUREL SPRINGS ENTITLED, “ANIMALS”

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE BOROUGH OF LAUREL SPRINGS,
COUNTY OF CAMDEN, STATE OF NEW JERSEY, AS FOLLOWS:

SECTION 1. Chapter 76 is amended and supplemented by the additional of a new Article III entitled
“Pet Shops” as follows:

ARTICLE III

WHEREAS, a significant number of puppies and kittens sold at pet shops come from large-scale,
commercial breeding facilities where the health and welfare of the animals are not adequately
provided for “puppy mills” and “kitten mills,” respectively. According to The Humane Society of the
United States, it is estimated that 10,000 puppy mills produce more than 2,400,000 puppies a year in
the United States and that most pet shop dogs and cats come from puppy mills and kitten mills; and

WHEREAS, the documented abuses endemic to puppy and kitten mills include over-breeding;
inbreeding; minimal to non-existent veterinary care; lack of adequate and nutritious food, water and
shelter; lack of socialization; lack of adequate space; and lack of adequate exercise; and

WHEREAS, the inhumane conditions in puppy and kitten mill facilities lead to health and behavioral
issues in the animals bred in those facilities, which many consumers are unaware of when purchasing
animals from pet shops due to both a lack of education on the issue and misleading tactics of pet
shops in some cases. These health and behavioral issues, which may not present themselves until
some time after the purchase of the animals, can impose exorbitant financial and emotional costs on
consumers; and

WHEREAS, current Federal and State regulations do not adequately address the sale of puppy and
kitten mill dogs and cats in pet shops; and

WHEREAS, restricting the retail sale of puppies and kittens to only those that are sourced from
shelters or rescue organizations is likely to decrease the demand for puppies and kittens bred in
puppy and kitten mills, and is likely to increase demand for animals from animal shelters and rescue
organizations; and

WHEREAS, the New Jersey Department of Health in its 2014 Animal Intake and Disposition Survey
has found that due in large part to pet overpopulation, more than 20,000 dogs and cats are
euthanized in New Jersey animal shelters annually, including nearly 1,500 in the County of Camden.
Restricting the retail sale of puppies and kittens to only those that are sourced from animal shelters
and rescue organizations will likely reduce pet overpopulation and thus the burden on such agencies
and financial costs on local taxpayers; and

WHEREAS, across the country, thousands of independent pet shops as well as large chains operate
profitably with a business model focused on the sale of pet services and supplies and not on the sale
of dogs and cats. Many of these shops collaborate with local animal shelters and rescue
organizations to offer space and support for showcasing adoptable homeless pets on their premises; and
AN ORINANCE AMENDING AND SUPPLEMENTING CHAPTER 76 OF THE CODE OF THE BOROUGH OF LAUREL SPRINGS ENTITLED, “ANIMALS”

WHEREAS, this Ordinance will not affect a consumer’s ability to obtain a dog or cat of his or her choice directly from a breed-specific rescue organization or a shelter, or from a hobby breeder where the consumer can see directly the conditions in which the dogs or cats are bred, or can confer directly with the hobby breeder concerning those conditions; and

WHEREAS, the Mayor and Township Committee believes it is in the best interests of Waterford Township to adopt reasonable regulations to reduce costs to the Municipality and its residents, protect the citizens of the Municipality who may purchase cats or dogs from a pet shop or other business establishment, help prevent inhumane breeding conditions, promote community awareness of animal welfare, and foster a more humane environment in the Municipality.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Township Committee of the Township of Waterford, County of Camden, State of New Jersey, as follows:
