ORDINANCE #16-16

"AN ORDINANCE AMENDING CHAPTER §333-5 OF THE BOROUGH CODE
GOVERNING PET SHOPS AND THE SALE OF ANIMALS"

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE BOROUGH OF
MAYWOOD, IN THE COUNTY OF BERGEN AND STATE OF NEW JERSEY, AS
FOLLOWS:

WHEREAS, the Borough of Maywood recognizes that a significant number of puppies and
kittens sold at pet shops come from large-scale, commercial breeding facilities where the health
and welfare of the animals are not adequately provided for ("puppy mills" and "kitten mills,"
respectively). According to The Humane Society of the United States, it is estimated that 10,000
puppy mills produce more than 2,400,000 puppies a year in the United States and that most pet
shop dogs and cats come from puppy mills and kitten mills; and

WHEREAS, the documented abuses endemic to puppy and kitten mills include over-breeding;
inbreeding; minimal to non-existent veterinary care; lack of adequate and nutritious food, water
and shelter; lack of socialization; lack of adequate space; and lack of adequate exercise; and

WHEREAS, the inhumane conditions in puppy and kitten mill facilities lead to health and
behavioral issues in the animals bred in those facilities, which many consumers are unaware of
when purchasing animals from pet shops due to both a lack of education on the issue and
misleading tactics of pet shops in some cases. These health and behavioral issues, which may not
present themselves until sometime after the purchase of the animals, can impose exorbitant
financial and emotional costs on consumers; and

WHEREAS, current Federal and State regulations do not adequately address the sale of puppy
and kitten mill dogs and cats in pet shops; and

WHEREAS, restricting the retail sale of puppies and kittens to only those that are sourced from
shelters or rescue organizations is likely to decrease the demand for puppies and kittens bred in
puppy and kitten mills, and is likely to increase demand for animals from animal shelters and
rescue organizations; and
WHEREAS, according to the New Jersey Department of Health 2014 Animal Intake and Disposition Survey, due in large part to pet overpopulation, more than 20,000 dogs and cats are euthanized in New Jersey animal shelters annually, including nearly 1,500 in the County of Camden. Restricting the retail sale of puppies and kittens to only those that are sourced from animal shelters and rescue organizations will likely reduce pet overpopulation and thus the burden on such agencies and financial costs on local taxpayers; and

WHEREAS, across the country, thousands of independent pet shops as well as large chains operate profitably with a business model focused on the sale of pet services and supplies and not on the sale of dogs and cats. Many of these shops collaborate with local animal shelters and rescue organizations to offer space and support for showcasing adoptable homeless pets on their premises; and

WHEREAS, this Ordinance will not affect a consumer’s ability to obtain a dog or cat of his or her choice directly from a breed-specific rescue organization or a shelter, or from a hobby breeder where the consumer can see directly the conditions in which the dogs or cats are bred, or can confer directly with the hobby breeder concerning those conditions; and

WHEREAS, the Borough Council believes it is in the best interests of this Municipality to adopt reasonable regulations to reduce costs to the Municipality and its residents, protect the citizens of the Municipality who may purchase cats or dogs from a pet shop or other business establishment, help prevent inhumane breeding conditions, promote community awareness of animal welfare, and foster a more humane environment in the Municipality

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Maywood, County of Bergen, State of New Jersey, as follows:

Section 2. That Section §333-5 is amended in its entirety and shall have the new chapter title of “Pet Shops” and shall read in its entirety as:

§333-5 Pet Shops.

A. Permit Required. No establishment, shelter or business shall be maintained for the purpose of selling or raising for sale any animal as pets or for other uses in the borough unless a permit for that purpose has been obtained from the Board of Health, and all animals shall be kept in a suitable shelter, cages, coops or tanks. Such facilities must be kept thoroughly clean and open to inspection at all times by the Board or its agents.

B. Restrictions on the Sale of Animals.
   1. A pet shop may offer for sale only those dogs and cats that the pet shop has obtained from or displays in cooperation with:
a. An animal care facility or animal control center or animal shelter, maintained by or under contract with any state, county, or municipality, whose mission and practice is, in whole, or significant part, the rescue and placement of animals in permanent homes or rescue organizations; or

b. An animal rescue organization or other type of not-for-profit organization which has tax-exempt status under Section 501(c)(3) of the United States Internal Revenue Code, whose mission and practice is, in whole or in significant part, the rescue and placement of animals in permanent homes.

2. A pet shop shall not offer for sale a dog or cat that is younger than eight weeks old.

Section 3. Severability.

If any section, subsection, paragraph, sentence, clause or phrase of this Ordinance shall be declared invalid for any reason whatsoever, such decision shall not affect the remaining portions of this Ordinance which shall continue in full force and effect, and to this end the provisions of this Ordinance are hereby declared to be severable.

Section 4. Effective Date.
This Ordinance shall take effect upon passage and publication according to law.
