A BILL TO BE ENTITLED

AN ORDINANCE OF THE CITY OF NEPTUNE BEACH, FLORIDA, AMENDING CHAPTER 6, ANIMALS, CREATING ARTICLE III, "COMMERCIAL ANIMAL ESTABLISHMENTS," ADDING SECTION 6-34, REQUIREMENTS FOR SALES OF DOGS AND CATS; PROVIDING FOR DEFINITIONS; PROVIDING FOR PERMITTED SOURCES; PROVIDING FOR CERTIFICATE OF SOURCE; AND PROVIDING FOR PENALTIES; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

Whereas, the humane treatment of animals is an important public purpose; and

Whereas, puppy and kitten mills are inhumane and unsanitary commercial breeding facilities for dogs and cats in which the health of the dogs and cats is disregarded to maintain a low overhead and maximize profits; for example, by keeping parent dogs and cats in cages for their entire lives without adequate food, water, veterinary care, or socializations; breeding females multiple times per year with little to no recovery time between litters; and breeding dogs and cats regardless of whether they carry congenital or hereditary diseases; and

Whereas, according to United States Department of Agriculture reports, documented problems found at puppy and kitten mills include; 1) sanitation problems leading to infectious diseases; 2) large numbers of animals overcrowded in cages; 3) lack of proper veterinary care for severe illnesses and injuries; 4) lack of protection from harsh weather conditions; and 5) lack of adequate food and water; and

Whereas, the Humane Society of the United States estimates that each year two to four million dogs and cats are born in the United States in puppy and kitten mills; and

Whereas, the most effective way to stop puppy and kitten mills is to discourage the purchase and sale of puppies and kittens produced at these inhumane facilities; and

Whereas, according to the Humane Society of the United States, although American consumers purchase dogs and cats believing the pets to be healthy and genetically sound, in reality, the animals that come from mills often face an array of health problems; including not only communicable diseases or genetic disorders that present immediately after sale, but also diseases or disorders that do not surface until several years later, all of which lead to costly veterinary bills and distress to consumers; and

Whereas, numerous alternatives exist for people to find pets, including adoption of animals from public and private animal rescue organizations or purchase from reputable and conscientious breeders; and

Whereas, across the country, thousands of independent pet stores and large chain stores operate profitably with a business model focused on the sale of pet services and supplies and
not on the sale of dogs and cats, often collaborating with local animal shelters and rescue organizations to offer space and support for showcasing adoptable, homeless pets on their premises; and

Whereas, the adoption of regulations governing the sale of dogs and cats in the City will promote community awareness of animal welfare and foster a more humane environment and encourage pet consumers to adopt dogs and cats from shelters, thereby saving animals’ lives and reducing the costs to the public of sheltering animals.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF NEPTUNE BEACH, FLORIDA,
