ORDINANCE NO. 15-OR0026-1

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF
OCEANSIDE ADDING SECTION 4.6.5 TO CHAPTER 4,
ARTICLE 1 OF THE OCEANSIDE CITY CODE TO REGULATE
THE RETAIL SALE OF DOGS AND CATS

WHEREAS, the City Council of the City of Oceanside makes the following findings:

1. The City of Oceanside (“City”) is a charter city under Article XI, section 5 of the California Constitution and is authorized to make and enforce all ordinances with respect to its municipal affairs; and

2. The City is subject to several statutory obligations for animal control and animal sheltering services; and

3. California Health & Safety Code sections 121690(e)-(f) require cities and counties to “maintain or provide for the maintenance of a pound system and a rabies control program” as well as “to provide dog vaccination clinics, or to arrange for dog vaccination at clinics operated by veterinary groups or associations, held at strategic locations throughout each city…”; and

4. California Health and Safety Code section 121695 provides that “[n]othing in this chapter and [s]ection 120495 is intended or shall be construed to limit the power of any city, city and county, or county in its authority in the exercise of its police power or in the exercise of its power under any other provisions of law to enact more stringent requirements, to regulate and control dogs within the boundaries of its jurisdiction.”; and

5. California Food & Agricultural Code section 31105 requires cities and counties to provide for: “(a) The taking up and impounding of all dogs which are found running at large in violation of any provision of this division and (b) The killing in some humane manner or other disposition of any dog which is impounded”; and

6. California Health and Safety Code section 31106 allows a city to enter into a contract with a humane society or other organization to fulfill its obligations under California Food and Agricultural Code section 31105; and
7. The Oceanside City Code, Chapter 4, establishes a system to satisfy the state requirements and the City has contracted with the San Diego Humane Society and S.P.C.A. (“SDHS”) to administer its state mandated duties under Chapter 4 as well as to provide additional animal control and sheltering services; and

8. The Professional Services Agreement (“PSA”) between the City and the SDHS became effective June 26, 2013 (Document No. 13-D0460-1). That agreement requires the City to pay SDHS $823,632 annually, plus an annual increase based upon the consumer price index, for the animal control and sheltering services provided to the City; and

9. Statistics maintained by SDHS confirm that there is a significant dog and cat overpopulation issue in Oceanside. Stray dogs taken in by SDHS under the PSA are housed at 2905 San Luis Rey Road in Oceanside. Stray cats are brought to 572 Airport Road. In fiscal year (“FY”) 2010-2011, (July 1 to June 30 of the following calendar year), 3,188 stray dogs and cats from Oceanside were received by the SDHS at the two Oceanside locations. In FY 2011-12, 3,296 stray dogs and cats from Oceanside were received by the SD Humane Society at the two Oceanside locations. In FY 2012-2013, 3,243 stray dogs and cats from Oceanside were received by the SD Humane Society at the two Oceanside locations. In FY 2013-2014, 3018 stray dogs and cats from Oceanside were received by the SDHS at the two Oceanside locations. SDHS euthanizes approximately 7 percent of the stray dogs and cats it takes in under the PSA; and

10. Stray dogs and cats from the City of Vista are also received by the San Diego Humane Society at the Oceanside campus and SDHS accepts owner surrenders at its Oceanside campus. Therefore, the Oceanside campus receives roughly 5,000 dogs and cats each year including owner surrenders and strays.

11. The City Council of the City of Oceanside received public testimony on September 25, 2013 and December 3, 2014 prior to debating whether to give direction to staff to draft a proposed ordinance to regulate the commercial sale of dogs and cats; and

12. Based upon the public testimony and evidence presented, the City Council finds that the allowing the sale of dogs and cats from commercial breeding operations contributes to
the pet overpopulation problem in Oceanside; and

13. Existing federal and state laws, including the federal Animal Welfare Act, the California Lockyer-Polanco-Farr Pet Protection Act, the California Polanco-Lockyer Pet Breeder Warranty Act, and the California Pet Store Animal Care Act, illustrate society's trend towards promoting the humane treatment of animals by regulating dog and cat breeders, as well as pet shops and stores; and

14. According to the Humane Society of the United States ("HSUS"), hundreds of thousands of dogs and cats in the United States have been housed and bred at substandard breeding facilities known as "puppy mills" or "kitten factories" that mass-produce animals for sale to the public, and many of these animals are sold at retail in pet shops. The HSUS research is available at: http://www.humanesociety.org/news/publications/whitepapers/puppy-mill-research.html. Investigative reports on puppy mills compiled by the Companion Animal Protection Society are found at: (http://www.caps-web.org/component/k2/item/456?Itemid=269); and

15. Because of the lack of proper animal husbandry practices at these facilities, animals born and raised at these "puppy mills" or "kitten factories" are more likely to have genetic disorders and lack adequate socialization, while breeding animals utilized there are subject to inhumane housing conditions and are indiscriminately disposed of when they reach the end of their profitable breeding cycle; and

16. Prohibiting the unregulated sale of dogs and cats in pet shops may lower the sale of dogs and cats from inhumane "puppy mills" and "kitten factories," may lower the shelter animal euthanasia rate, and lead to a greater adoption rate of shelter and recycled animals; and

17. There are many reputable, responsible dog and cat breeders who refuse to sell through pet shops and who work carefully to screen families and ensure good, lifelong matches; and

18. The City seeks to prohibit the sale of dogs and cats in pet shops, unless the animals are obtained from a city or county or other governmental animal shelter or animal control agency, humane society, animal rescue organization, or non-commercial breeding
establishment; and

19. The City Council, after hearing the testimony and evidence presented on
December 3, 2014, directed the City Attorney to draft an ordinance to regulate the sale of dogs
and cats from pet stores in Oceanside; and

WHEREAS, the City Council heard additional testimony and evidence on January 7,
2014.

NOW, THEREFORE, the City Council of the City of Oceanside does ordain as follows:
