ORDINANCE NO. 1686

AN ORDINANCE OF THE CITY OF OVIEDO, FLORIDA RELATING TO THE RETAIL SALE OF DOGS AND CATS IN PUBLIC PLACES ("PUPPY MILLS" AND "KITTEN FACTORIES"); PROVIDING FOR DEFINITIONS; PROVIDING FOR CONDITIONS AND RESTRICTIONS AND OTHER REQUIREMENTS; PROVIDING FOR PENALTIES; PROVIDING FOR IMPLEMENTING ADMINISTRATIVE ACTIONS; PROVIDING FOR A SAVINGS PROVISION; PROVIDING FOR CONFLICTS; PROVIDING FOR SEVERABILITY; PROVIDING FOR CODIFICATION AS WELL AS THE CORRECTION OF SCRIVENER'S ERRORS AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the practice of commercial breeding facilities, not including medical research, sometimes referred to as "puppy mills" and "kitten factories" contribute to domestic animal overpopulation; and

WHEREAS, these facilities may house animals in overcrowded and unsanitary conditions without adequate veterinary care, food, water and socialization thereby allowing the spread of heritable and congenital disorders, infectious diseases and potentially causing environmental contamination all of which may present immediately after a sale or not until several years later; and

WHEREAS, the practices used by these mass-breeders may be cruel, inhumane, or at least considered unreasonable to most pet owners, and detrimental to the pets used for breeding; and

WHEREAS, the Humane Society of the United States estimates there are over 10,000 puppy mills in the United States selling approximately two million puppies annually; and

WHEREAS, an effective tool to eliminate the retail market for domestic dogs and cats bred through "puppy mills" and "kitten factories" is to require that pet shops utilize an adoption-based business model, which ensures that the animals sold by pet shops are sourced from shelters and animal rescue organizations thereby encouraging the adoption of homeless pets and reducing the financial and emotional toll on consumers who purchase mill-bred pets with latent physical and behavioral problems; and

WHEREAS, this Ordinance does not affect a consumer’s ability to obtain a dog or cat of his or her choice directly from a breed-specific animal rescue organization or a shelter, or from a reputable breeder where the consumer can directly observe and evaluate the conditions in which the dogs or cats are bred, or where the consumer can confer directly with the reputable local breeder concerning said conditions; and

WHEREAS, for these reasons the City Council of the City of Oviedo finds it reasonable and necessary to provide the following minimum standards governing the sale of cats and dogs to protect the health, safety and welfare of both animals and pet owners; that such regulation constitutes a legitimate purpose, and that such regulation will encourage pet consumers to adopt:
homeless dogs and cats from shelters and animal rescue organizations thereby saving animals lives and reducing the cost to the public of sheltering and euthanizing animals; and

WHEREAS, this Ordinance is enacted pursuant to the home rule powers of the City of Oviedo as set forth at Article VIII, Section 2, of the Constitution of the State of Florida; Chapter 166, Florida Statutes; and other applicable controlling law; and

WHEREAS, the City Council of the City of Oviedo has deemed approval of this Ordinance to be in the best interest of the residents and citizens of the City of Oviedo and to further the public health, safety and welfare; and

WHEREAS, the City Council of the City of Oviedo has complied with all procedural and substantive requirements of controlling law in enacting this Ordinance.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF OVIEDO, FLORIDA:
