ORDINANCE No. ______
AN ORDINANCE CREATING CHAPTER 9.22 PROHIBITING PET STORES FROM SELLING DOGS AND CATS

The Common Council of the City of Whitewater, Walworth and Jefferson Counties, Wisconsin, do ordain as follows:

CHAPTER 1. Whitewater Municipal Code Chapter 9.22 is hereby created to read as follows:

Chapter 9.22 – LARGE SCALE COMMERCIAL ANIMAL BREEDING PROHIBITED

9.22.010 – Purpose and Intent.

WHEREAS, Most puppies and kittens sold in pet stores come from large-scale, commercial breeding facilities where the health and welfare of the animals is disregarded in order to maximize profits (“puppy mills” and “kitten mills,” respectively). According to The Humane Society of the United States, an estimated 10,000 puppy mills produce more than 2 million puppies per year in the United States.

WHEREAS, The documented abuses endemic to puppy and kitten mills include over-breeding; inbreeding; minimal veterinary care; lack of adequate food, water and shelter; lack of socialization, exercise and enrichment; lack of sanitation.

WHEREAS, Pet store puppies are often sick and have behavioral problems due to the substandard conditions they were likely born into often including that they were taken from their mothers at a very young age; they were transported in trucks filled with other young puppies and they were placed in a pet store cage with or near other puppies who are often sick.

WHEREAS, Pet stores often mislead consumers as to where the puppies and kittens in the stores came from and make false health and behavior guarantees. Many consumers end up paying hundreds or thousands of dollars in veterinary bills and suffer the heartbreak of having their new pet suffer, and in some cases pass away.

WHEREAS, According to the U.S. Centers for Disease Control and Prevention, pet store puppies pose a health risk to consumers, as over one hundred Americans have contracted an antibiotic-resistant Campylobacter infection from contact with pet store puppies.

WHEREAS, Current federal and state regulations do not adequately address the animal welfare and consumer protection problems that the sale of puppy and kitten mill dogs and cats in pet stores pose. Federal oversight of the commercial breeding industry is severely lacking.

WHEREAS, Prohibiting pet stores from selling dogs and cats is likely to decrease the demand for puppies and kittens bred in puppy and kitten mills and decrease the burden that pet store puppies and kittens that end up in animal shelters place on local agencies and taxpayers.

WHEREAS, The huge majority of pet stores, both large chains and small and family-owned shops, are already in compliance with the proposed ordinance as they already do not sell
dogs and cats but rather profit from selling products, offering services, and in some cases, collaborating with local animal shelters and rescues to host adoption events.

WHEREAS, This ordinance will not affect a consumer’s ability to obtain a dog or cat of his or her choice from an animal rescue, shelter, or breeder who sells directly to the public.

WHEREAS, The council believes it is in the best interest of Whitewater, Wisconsin to adopt reasonable regulations to reduce costs to Whitewater, Wisconsin and its residents, protect citizens who may purchase cats or dogs from a pet store, help prevent inhumane breeding conditions, promote community awareness of animal welfare, and foster a more humane environment in Whitewater.
