TITLE & DESCRIPTION: Ordinance/Retail Sale of Animals

REQUESTED MOTION: To approve an ordinance that bans the retail of sale of dogs, cats and rabbits as presented.

SUMMARY: The proposed ordinance bans the retail sale of dogs, cats and rabbits from commercial establishments or from public roadways, common areas or flea markets. The ordinance is intended to prohibit stores from locating in DeSoto County which sell animals bred from puppy mills, kitten factories or rabbit mills. Exemptions are provided for sales by animal shelters, local breeders, animal welfare organizations and the adoption of animals.

BACKGROUND: Cats, dogs and rabbits that are bred in puppy mills, kitten factories or rabbit mills often suffer from health, social, and/or temperament problems that frequently result in costly treatment or even death. According to the Humane Society of the United States, hundreds of thousands of dogs, cats and rabbits in the United States have been housed and bred at substandard breeding facilities, known as “puppy mills”, “kitten factories” or “rabbit mills”, that mass-produce animals for sale to the public, many of which are sold in pet stores.

WHEREAS, pursuant to Article VII, Section 2 of the Florida Constitution and Chapter 125 of the Florida Statutes, DeSoto County is authorized and required to protect the public health, safety and welfare of its citizens and has the power and authority to enact regulations for valid governmental purposes that are not inconsistent with general or special law; and

WHEREAS, the public health, safety and welfare is a legitimate public purpose of DeSoto County; and

WHEREAS, other counties in Florida have seen an increase in the commercial sale of dogs, cats and rabbits which have been bred under conditions which are cruel and endanger the health of such animals; and

WHEREAS, DeSoto County finds that it is in the best interest of the residents of DeSoto County to prevent the location of commercial “puppy mills”, “kitten factories” and “rabbit mills” in DeSoto County because they exploit and endanger the welfare of animals solely for commercial gain; and
WHEREAS, the Board of County Commissioners deems it in the best interest of DeSoto County to enact this Ordinance banning the retail sale of dogs and cats in DeSoto County.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF DESOTO COUNTY, FLORIDA:

Section 1. Findings of Fact - The Board of County Commissioners of Desoto County, Florida, hereby makes the following findings of fact:

1. Section 828.27, Florida Statutes, authorizes the Board of County Commissioners to enact an Ordinance relating to Animal Control and Cruelty.
2. Animal control regulations are necessary to protect the public from unvaccinated, diseased, stray, roaming, dangerous, wild, or exotic animals.
3. Animal control regulations establish uniformity in the control and eradication of rabies.
4. Animal control regulations help abate nuisance created by animals that interfere with the enjoyment of property or the peace and safety of the community.
5. Animal control regulations help regulate animal population.
6. Animal control regulations protect animals from abuse or conditions harmful to their well-being.
7. According to the Humane Society of the United States, hundreds of thousands of dogs, cats and rabbits in the United States have been housed and bred at substandard breeding facilities, known as “puppy mills”, “kitten factories” or “rabbit mills”, that mass-produce animals for sale to the public, many of which are sold in pet stores.
8. Undercover pet store investigations performed by The Humane Society of the United States have repeatedly proven that most pet stores get their puppies from puppy mills, despite claims to the contrary.
9. National animal welfare organizations, including The Humane Society of the United States (HSUS), The Humane Society Veterinary Medical Association (HSVMA) and the American Society for the Prevention of Cruelty to Animals (ASPCA) all concur that the Animal Welfare Act Standards are insufficient to protect dogs in puppy mills, and that even those breeders who repeatedly violate those weak standards seldom face a significant penalty.
10. Cats, dogs and rabbits that are bred in puppy mills, kitten factories or rabbit mills often suffer from health, social, and/or temperament problems that frequently result in costly treatment or even death.
In addition to the congenital and hereditary conditions resulting from substandard breeding facilities, dogs, cats and rabbits bred at these facilities may arrive in pet stores and their new homes with giardia, parvovirus, and distemper, illnesses that can be transmitted to healthy family animals.

According to the Humane Society of the United States, Florida has the highest number of consumer complaints submitted to the Humane Society regarding sick puppies purchased from puppy mills.

In addition to the above-mentioned abuses, rabbit mills are particularly prone to problems of overcrowding; rabbits can multiply every 28 days, breeders easily get overwhelmed, which leads to crowding, filthy living situations, and toxic amounts of ammonia in the air from urine in uncleaned cages.

Rabbits are often treated inhumanely in the breeding mills and these animals are often viewed as disposable, with the largest influx of abandoned animals being collected annually just after the Easter holiday; the Humane Society of the U.S. estimates that 80% of rabbits sold as Easter or springtime pets are eventually abandoned and cannot fend for themselves.

The Desoto Board of County Commissioners deems the prohibition of the retail sale of dogs, cats and rabbits in Desoto County to be in the best interest of the health, safety, and welfare of its residents and citizens and the public at large, that such prohibition constitutes a municipal purpose and will encourage pet consumers to adopt dogs, cats or rabbits from shelters or home based breeders, thereby promoting consumer protection, saving animals’ lives, and reducing the cost to the public of sheltering and euthanizing animals.

Section 2. Definitions - As used in this Ordinance the following words and phrases shall have the following meanings, unless the context clearly indicates otherwise:

*Adoption Fee* means remuneration to recover the costs of feeding, sheltering, and providing care for an animal, not including transportation of animal, without profit.
