ORDINANCE # 2017-03

**BOROUGH OF LODI
COUNTY OF BERGEN
STATE OF NEW JERSEY**

**AN ORDINANCE TO REGULATE THE SALE
OF DOGS AND CATS BY PET SHOPS**

WHEREAS, a significant number of puppies and kittens sold at pet shops come from large-scale, commercial breeding facilities where the health and welfare of the animals are not adequately provided for ("puppy mills" and kitten mills, " respectively). According to The Humane Society of the United States, it is estimated that 10,000 puppy mills produce more than 2,400,000 puppies a year in the United States and that most pet shop animals originate from these puppy and kitten mills; and

WHEREAS, the documented abuses endemic to puppy and kitten mills include over-breeding; inbreeding; minimal to non-existent veterinary care; lack of adequate and nutritious food, water and shelter; lack of socialization and lack of adequate exercise; and

WHEREAS, the inhumane conditions in puppy and kitten mill facilities lead to health and behavioral issues in the animals bred in those facilities, which many consumers are unaware of when purchasing animals from pet shops due to both a lack of education on the issue and misleading tactics of pet shops in some cases. These health and behavior issues, which may not present themselves until sometime after purchase of animals, can impose exorbitant financial and emotional costs on consumers; and

WHEREAS, current Federal and State regulations do not adequately address the sale of puppy and kitten mill dogs and cats in pet shops; and

WHEREAS, restricting the retail sale of dogs and cats to only those that are sourced from shelters or rescue organizations is likely to decrease the demand for puppies and kittens bred by mills, and is likely to increase demand for pets from animal shelters and rescue organization; and

WHEREAS, according to the New Jersey Department of Health 2014 Animal intake and Disposition Survey, due in large part to pet overpopulation, more than 20,000 dogs and cats are euthanized in New Jersey animal shelters annually. Restricting the retail sale of dogs and cats to only those that are sourced from animal shelters and rescue organizations will likely reduce pet overpopulation and thus the burden on such agencies and financial costs on local taxpayers; and

WHEREAS, across the country thousands of independent pet shops as well as large chains operate profitably with a business model focused on the sale of pet services and supplies and not on the sale of dogs and cats. Many of these shops collaborate with local animal

shelters and rescue organization to offer space and support for showcasing adoptable homeless pets on their premises; and

WHEREAS, this Ordinance will not affect a consumer's ability to obtain a dog or cat of his or her choice directly from a breed-specific rescue organization or a shelter or from a hobby breeder where the consumer can see directly the conditions in which the dogs or cats are bred or can confer directly with the hobby breeder concerning these conditions; and

WHEREAS, the Governing Body of the Borough of Lodi believes it is in the best interests of the Borough of Lodi to adopt reasonable regulations to reduce costs to the Borough of Lodi and its residents, protect the citizens of the Borough of Lodi who may purchase dogs or cats from a pet shop or other business establishment, help prevent inhumane breeding conditions, promote community awareness of animal welfare, and foster a more humane environment in the Borough of Lodi.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Lodi as follows:
